

ERRATUM

Regarding the article: Surgical management of chronic open-cervix Pyometra in a German Shepherd dog: a case report

Journal: Journal of Animal Feed Science and Technology

Citation: Volume 13, Number 2, July - December 2025 issue

DOI: 10.21088/jafst.2321.1628.13225.5 (Pages 63-67)

This article was originally published with an incorrect author list. **Alka Bharia** and **Nupur Pandey** were inadvertently included as co-authors despite their limited contribution to the final preparation and execution of the manuscript. Following the standard authorship criteria, all authors mutually agreed to remove their names from the article.

The corrected author sequence is as follows:

Anita¹, Shree Ram Karir², Sumit Prakash Yadav³

All versions of this article have been updated to reflect this change.

The Editor-in-Chief sincerely regrets this error.
