A girl named Nisha , lives in the vidisha district of Madhya pradesh is an extraordinary girl. She is just 4 years old and in this age, she has done great thing which can not be done even by adult male in such way in which she does.

Her father is tailor by profession. He lives in Bhopal. But Nisha lives in Vidisha with her aunt named Najma khan since when she was just two years old. Her aunt admitted her in Taicondo club of Vidisha . After analyzing the capability of Nisha , he started giving her training. It is describable in itself that she has made world record when she was only 3 years and 2 months old. It is not only the subject of pride for Nisha but for India also.

On 10th January 1997, Nisha climbed 165 times upon 60 stairs of Vidisha's local railway over bridge and climbed down in same numbers. She did up and down upon 9,900 stairs in one hour fourteen minutes. In this way, Nisha made a world record of climbing 19,800 stairs without taking rest.

That's why, today her name has been mentioned in "LIMKA BOOK OF WORLD RECORDS". It is great thing for all.

Now, she is taking the training of Marshal art and Judo-karate. She comes out in the fire smoothly and up lift heavy weight, which can be done by weight lifter only. Besides this, she shows different adventures of Judo-karate.

On 25th January 1998, she completed distance of 30 kilometer in 5 hours only. This is also a great achievement of Little Nisha. Thereafter this pretty girl is known in Vidisha as "mini P.T. Usha".

In the present time, she has achieved golden prize in 18 kg weight lifting under a state level judo championship which was held in Ujjain. It is the subject of consideration that her weight is only 15 kg. She climbs on rope of 22 foot just in 52 second. When she shows daring acts fearlessly, people put their fingers under teeth.
